Issue 5.1 Spring 2015

Introducing: - Vicky

This issue we are introducing you to Vicky. Now you can put a name to a face, be sure to go and say hello!

What is your role at PAT? A friendly face, a listening ear, a shoulder, a hug, a spare pair of hands and eyes.

How long have you been coming to PAT? Since I started in my role as 'Young Families' Worker at Flackwell Heath Methodist Church in September 2013

What do you enjoy most about PAT? The friendships.

What would be your favourite night out? Anything that involves good food!

What would be your favourite night in? Snuggled up on the sofa with Graham, (husband), and James and Jess, (the children).

Tell us a little bit about your family. Graham and I met in Allhallowgate Methodist

Church, Ripon, North Yorks, in Dec 1992, and married in August 2002. We now have two children, James, 13 in April, and Jess, very nearly 11. In Nov 2013 we took on our most exciting challenge and brought a Sandwich/catering business. We live in Marlow and are actively involved in all sorts of things.

Tell us one mad fact about you that might surprise us. I have posed naked, with fellow presenters, in Marlow Library for a Marlow FM charity calendar, and our page was then on the 'One Show' when it was sent in for a feature on charity naked calendars.

PAT Social

Our PAT socials are becoming a popular, regular feature, and so we are polling possible dates for our next one. As always, it will be an 8pm start at 'The Stag' and food will be available for £5/head, (payment in advance). So the proposed dates are: 6th, 13th and 20th March - all Friday nights. Please let Vicky, Shirley or Kathryn know what your preference would be, by Friday 30th January, so a booking can be confirmed and made.

If you have any suggestions for alternative future socials, then please feel free to let us know.

Find us. "**Flackwell Heath Wednesday PAT Group**" then request to join the group. We will be using the page more and more, to spread information and get feedback.
